

## **Getaway on Koh Mook Homestay 3 days 2 nights (Trang Province)**

Exploring an untouched Andaman nature at Koh Mook – Island hopping and snorkeling in Koh Kra Dan – Exploring the emerald cave by the sea and trek to the top of the cave whole

### **Koh Mook fast fact**

- Koh Mook is more interesting for its beautiful beaches of fertile natural surroundings.
- Koh Mook is the third largest island of Trang Sea taken care by Had Chao Mai National Park located in Koh Libong Sub-district, Kantang District.
- The island's feature is of high cliffs and rocks facing the open sea at the western coast. The island's eastern coast is the plain with the cape heading towards the main land where Ban Koh Muk is located in between the sea. One side is Hua Laem Beach and Sapanyao Pier while the other side is Phangka Bay. Swimming can be done along the shoreline, the area of fertile sea grass which is the delicious food for the dugong (sea cow).
- Koh Mook's population is mostly Muslim people. Their occupations are fishing (cuttlefish), growing Para rubber and coconut trees.
- People can transport to any place by walking, riding motorcycles or bicycles.
- Koh Mook Island was one of the Island which destroyed by Tsunami. Currently, local has been recovering from this suffered by offering local homestay and CBT Community Based Tour.
